

## Invitation

# Stakeholder workshop: “Research & Innovation for unlocking the decarbonisation of transport”

*InnoEnergy Brussels Offices, Rue Guimard 7, 1040 Brussels*

*17 September, 09.30 – 16.45*

---

We cordially invite you to our workshop on “Research & Innovation for unlocking the decarbonisation of transport”, taking place at the **InnoEnergy Brussels Offices** ([Rue Guimard 7, 1040 Brussels](#)) on **Tuesday, 17 September 2019 from 09:30 – 16:15**.

The EU-funded [DEEDS-project](#) (DialoguE on European Decarbonisation Strategies) is facilitating a series of multi-stakeholder workshops during 2019, in order to enrich and embed the recommendations of the [final report](#) of the High-Level Panel (HLP) of the European Decarbonisation Pathways Initiative.

The workshop on transport, as part of the DEEDS stakeholder engagement series, will focus on different innovations and solutions needed to achieve the long-term decarbonisation of Europe's transport sector, from transport technologies and system integration to new mobility demand patterns. Additionally, we will discuss the knowledge gaps and the required policies in order to accelerate and scale up the deployment of suitable solutions. This will be done in collaboration with stakeholders of policy, academia, businesses and civil society.

Kindly find the latest agenda, discussion document, the HLP's report chapter on Transport, as well as the logistical note enclosed. **To register, fill in the [Registration Form](#) by 3 September** and for further questions, please contact Iker Urdangarin ([iker.urdangarin@worldfuturecouncil.org](mailto:iker.urdangarin@worldfuturecouncil.org)).

Workshop participants may benefit from support to cover their Transport and Subsistence costs. The limited budget will be allocated on a First Come-First Serve basis. For information about funding, please contact InnoEnergy ([deeds@kic-innoenergy.com](mailto:deeds@kic-innoenergy.com)).

We are looking forward to your participation.

Kind regards,

The DEEDS-team

## Agenda

Time	Content	Format
9:30-10:00	Walk in & registration	
10:00-10:20	<b>Welcome Address and Opening keynote</b> Adriaan Slob, TNO (Coordinator of DEEDS)	Plenary
10:20-11:50	<b>Keynote: Clean, safe and connected mobility, EU Long-Term Strategy</b> Claire Depré, Head of Unit Sustainable and Intelligent Transport, DG MOVE, European Commission (tbc) Q&A	Plenary
10:50 -11:20	Coffee break	
11:20-11:50	<b>Keynote: System transition to electromobility, the example of batteries</b> Dorothee Coucharrière, International Public Affairs Director, Blue Solutions (tbc) Q&A	Plenary
11:50-12:20	<b>Keynote: Low-to-zero options for air travel and shipping</b> Bill Hemmings, Director, Aviation and Shipping, Transport & Environment (tbc) Q&A	Plenary
12:20-13:30	Lunch	
13:30-14:30	<b>Breakout Session 1 – Challenges to turn page from fossil fuels</b> <ul style="list-style-type: none"> <li>• What are the R&amp;I needs and challenges to decarbonise transport?</li> <li>• What are the market bottlenecks for this turn?</li> </ul> <i>Discussions in two topic-based groups:</i> <ul style="list-style-type: none"> <li>• <i>Transport Technologies and System Integration</i></li> <li>• <i>New Mobility Demand Patterns</i></li> </ul>	Group discussions
14:30-15:00	<b>Keynote: Integrated urban zero carbon mobility</b> Thomas Willson, Policy advisor Mobility, Eurocities (tbc) Q&A	Plenary
15:00-16:00	<b>Breakout Session 2 – Decarbonising transport</b> <ul style="list-style-type: none"> <li>• What are the policies and regulatory changes needed for R&amp;I towards a decarbonised transport?</li> <li>• What are the needs for the transport industry to shift their business models towards decarbonised models?</li> </ul> <i>Discussions in two topic-based groups:</i> <ul style="list-style-type: none"> <li>• <i>Transport Technologies and System Integration</i></li> <li>• <i>New Mobility Demand Patterns</i></li> </ul> <i>Wrap-up</i>	World Café
16:00-16:15	<b>Closing</b>	Plenary
